

TISSUE CULTURE CUTTING MACHINE

User-friendly table device for accurate cutting of Leaves

UNIQUE ADVANTAGE

- Precise 4mm cutting (can be customized)
- Disassembly and sterilization are simple
- Increase the pace and quality of the process compared to manual work

ADDITIONAL INFORMATION

Our tissue culture cutting machine is the result of extensive engineering efforts to create a cutting-edge product that provides unparalleled accuracy and ease of use. We've invested significant time and resources in designing and developing this device to ensure it meets the highest standards of performance and reliability. With our tissue culture cutting machine, you can be confident in achieving consistent, precise results every time

TECHNICAL DATA

Dimensions: W x D x H = 190 x 235 x 216 mm

Weight: 9Kg

power: 12Vdc
